11 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

12 * **Section 1.** AS 13.26.055 is amended to read:

13 **Sec. 13.26.055. Court appointment of guardian of minor; qualifications;**
 14 **priority of minor's nominee and adult family member.** The court may appoint as
 15 guardian any adult [PERSON] whose appointment would be in the best interests of
 16 the minor and is consistent with a priority given to an adult family member. The
 17 court shall appoint a person nominated by the minor, if the minor is 14 years of age or
 18 older, unless the court finds the appointment contrary to the best interests of the minor.
 19 **In this section, "adult family member" has the meaning given in AS 47.10.990.**

20 * **Sec. 2.** AS 13.26 is amended by adding a new section to read:

21 **Sec. 13.26.064. Guardianship after voluntary relinquishment; procedure.**

22 In addition to the applicable procedures under this chapter, a guardianship decree and
 23 review of a guardianship decree are governed by the procedures established under
 24 AS 25.23.180 and, for a child-in-need-of-aid, AS 47.10.089, pertaining to voluntary
 25 relinquishment of parental rights and retaining of parental privileges in a guardianship
 26 decree.

27 * **Sec. 3.** AS 25.23 is amended by adding a new section to read:

1 **Sec. 25.23.127. Adult family member preference to adopt.** Taking into
 2 consideration a child's stated preference under AS 25.23.125(a) and consent given
 3 under AS 25.23.040(a)(5), and unless the court finds that a petition to adopt the child
 4 by an adult family member is contrary to the best interest of the child, the court shall
 5 grant a petition to adopt a child by an adult family member who has had physical
 6 custody of the child for at least 12 consecutive months before the parental rights to the
 7 child have been terminated. In this section, "adult family member" has the meaning
 8 given in AS 47.10.990.

9 * **Sec. 4.** AS 25.23.180 is amended by adding new subsections to read:

10 (j) In a relinquishment of parental rights executed under (a) of this section, a
 11 parent may retain privileges with respect to the child, including the ability to have
 12 future contact, communication, and visitation with the child. A retained privilege
 13 must be stated in writing with specificity. Not less than 10 days after the
 14 relinquishment is signed, the court may enter an order terminating parental rights if the
 15 court finds that termination of parental rights under the terms of the agreement is in
 16 the child's best interest. If a parent has retained one or more privileges, the court shall
 17 incorporate the retained privileges into the termination order with a recommendation
 18 that the retained privileges be incorporated in an adoption or legal guardianship
 19 decree.

20 (k) A voluntary relinquishment may not be withdrawn and a termination order
 21 may not be vacated on the ground that a retained privilege has been withheld from the
 22 relinquishing parent or that the relinquishing parent has been unable, for any reason, to
 23 act on a retained privilege, except as provided in Rule 60(b), Alaska Rules of Civil
 24 Procedure.

25 (l) After a termination order is entered, a person who has voluntarily
 26 relinquished parental rights under this section may request a review hearing, upon a
 27 showing of good cause, to seek enforcement or modification of or to vacate a privilege
 28 retained in the termination order. The court may modify, enforce, or vacate the
 29 retained privilege if the court finds, by clear and convincing evidence, that it is in the
 30 best interest of the child to do so.

31 (m) After a termination order is entered and before the entry of an adoption or

1 legal guardianship decree, a prospective adoptive parent or a guardian of a child who
 2 is the subject of an adoption decree may request, after providing notice as specified
 3 under this subsection, that the court decline to incorporate a privilege retained in a
 4 termination order and recommended for incorporation in an adoption or guardianship
 5 decree under (j) of this section. The request made under this subsection may only be
 6 considered by the court after providing at least 20 days' notice by certified mail to the
 7 last known address of the person who has voluntarily relinquished parental rights to
 8 the child. The notice under this subsection must describe the request and explain that
 9 the recipient of the notice may submit a written statement under penalty of perjury to
 10 the court that the recipient either agrees with or opposes the request. The notice must
 11 also include the deadline for submitting the statement and the mailing address of the
 12 court. The court may decline to incorporate a retained privilege if the person who
 13 retained the privilege agrees with the request or if the court finds that it is in the child's
 14 best interest.

15 (n) A person who relinquished parental rights is entitled to the appointment of
 16 an attorney if a hearing is requested under (l) or (m) of this section to the same extent
 17 as if the parent's rights had not been terminated in a child-in-need-of-aid proceeding.

18 * **Sec. 5.** AS 43.23.005(f) is amended to read:

19 (f) **The** [IN A TIME OF NATIONAL MILITARY EMERGENCY, THE]
 20 commissioner may waive the requirement of (a)(4) of this section for an individual
 21 absent from the state

22 **(1) in a time of national military emergency** under military orders
 23 while serving in the armed forces of the United States, or for the spouse and
 24 dependents of that individual; **or**

25 **(2) while in the custody of the Department of Health and Social**
 26 **Services in accordance with a court order under AS 47.10 or AS 47.12 and placed**
 27 **outside of the state by the Department of Health and Social Services for purposes**
 28 **of medical or behavioral treatment.**

29 * **Sec. 6.** AS 47.10.005 is amended to read:

30 **Sec. 47.10.005. Construction.** The provisions of this chapter shall be
 31 liberally construed to

(1) achieve the end that a child coming within the jurisdiction of the court under this chapter may receive the care, guidance, treatment, and control that will promote the child's welfare and the parents' participation in the upbringing of the child to the fullest extent consistent with the child's best interests; and

(2) follow the findings set out in AS 47.05.065.

* Sec. 7. AS 47.10.020(a) is amended to read:

(a) Whenever circumstances subject a child to the jurisdiction of the court under AS 47.10.005 - 47.10.142, the court shall appoint a competent person or agency to make a preliminary inquiry and report for the information of the court to determine whether the best interests of the child require that further action be taken. The court shall make the appointment on its own motion or at the request of a person or agency having knowledge of the child's circumstances. If, under this subsection, the court appoints a person or agency to make a preliminary inquiry and to report to it, or if the department is conducting an investigation of a report of child abuse or neglect, the court may issue any orders necessary to aid the person, the agency, or the department in its investigation or in making the preliminary inquiry and report. Upon [THEN, UPON THE] receipt of the report under this subsection, the court may

(1) close the matter without a court hearing;

(2) determine whether the best interests of the child require that further action be taken; or

(3) authorize the person or agency having knowledge of the facts of the case to file with the court a petition setting out the facts.

* Sec. 8. AS 47.10.020 is amended by adding a new subsection to read:

(e) Nothing in this section requires the department to obtain authorization from the court before

(1) conducting an investigation of a report of child abuse or neglect; or

(2) filing a petition.

* Sec. 9. AS 47.10.070(a) is amended to read:

(a) The court may conduct the hearing on the petition in an informal manner.

The court shall give notice of the hearing to the department, and it may send a

representative to the hearing. The court shall also transmit a copy of the petition to the department. The department shall send notice of the hearing to the persons for whom notice is required under AS 47.10.030(b) and to each grandparent of the child entitled to notice under AS 47.10.030(d). The department and the persons to whom the department must send notice of the hearing are entitled to be heard at the hearing. **Except as provided in (c) of this section, and unless prohibited by federal or state law, court order, or court rule, a hearing is open to the public** [HOWEVER, THE COURT MAY LIMIT THE PRESENCE OF THE FOSTER PARENT OR OTHER OUT-OF-HOME CARE PROVIDER AND OF ANY GRANDPARENT OF THE CHILD TO THE TIME DURING WHICH THE PERSON'S TESTIMONY IS BEING GIVEN IF IT IS (1) IN THE BEST INTEREST OF THE CHILD; OR (2) NECESSARY TO PROTECT THE PRIVACY INTERESTS OF THE PARTIES AND WILL NOT BE DETRIMENTAL TO THE CHILD. THE PUBLIC SHALL BE EXCLUDED FROM THE HEARING, BUT THE COURT, IN ITS DISCRETION, MAY PERMIT INDIVIDUALS TO ATTEND A HEARING IF THEIR ATTENDANCE IS COMPATIBLE WITH THE BEST INTERESTS OF THE CHILD].

* **Sec. 10.** AS 47.10.070 is amended by adding new subsections to read:

(c) Except as provided in (e) of this section, the following hearings in child-in-need-of-aid cases are closed to the public:

(1) the initial court hearing after the filing of a petition to commence the child-in-need-of-aid case;

(2) a hearing following the initial hearing in which a parent, child, or other party to the case is present but has not had an opportunity to obtain legal representation;

(3) a hearing, or a part of a hearing, for which the court issues a written order finding that allowing the hearing, or part of the hearing, to be open to the public would reasonably be expected to

(A) stigmatize or be emotionally damaging to a child;

(B) inhibit a child's testimony in that hearing;

(C) disclose matters otherwise required to be kept confidential

1 by state or federal statute or regulation, court order, or court rule; or

2 (D) interfere with a criminal investigation or proceeding or a
3 criminal defendant's right to a fair trial in a criminal proceeding; before ruling
4 on a request under this subparagraph, the court shall give notice and an
5 opportunity to be heard to the state or a municipal agency that is assigned to
6 the criminal investigation or to the prosecuting attorney.

7 (d) If a hearing, or part of a hearing, in a child-in-need-of-aid case is not
8 closed under (c) of this section, the court shall hear in camera any information offered
9 regarding the location, or readily leading to the location, of a parent, child, or other
10 party to the case who is a victim of domestic violence or whose safety or welfare may
11 be endangered by public release of the information. Access to testimony heard in
12 camera under this subsection is limited to the court and authorized court personnel.

13 (e) The grandparents of the child and an out-of-home care provider may attend
14 hearings that are otherwise closed to the public under (c) of this section. However, the
15 court shall limit the presence of these persons in a hearing closed to the public to the
16 time during which the person's testimony is being given if the court determines that
17 the limitation is necessary under (c)(3) of this section.

18 (f) Notwithstanding any other provision of this chapter, a person attending a
19 hearing open to the public may not disclose a name, picture, or other information that
20 would readily lead to the identification of a child who is the subject of the child-in-
21 need-of-aid case. At the beginning of the hearing, the court shall issue an order
22 specifying the restrictions necessary to comply with this subsection. If a person
23 violates the order, the court may impose any appropriate sanction, including contempt
24 and closure of any further hearings to the person.

25 * **Sec. 11.** AS 47.10.080(c) is amended to read:

26 (c) If the court finds that the child is a child in need of aid, the court shall

27 (1) order the child committed to the department for placement in an
28 appropriate setting for a period of time not to exceed two years or in any event **not to**
29 **extend** past the date the child becomes 19 years of age, except that the department or
30 the child's guardian ad litem may petition for and the court may grant in a hearing

31 (A) one-year extensions of commitment that do not extend

beyond the child's 19th birthday if the extension is in the best interests of the child; and

(B) an additional one-year period of state custody past [AGE] 19 years of age if the continued state custody is in the best interests of the person and the person consents to it;

(2) order the child released to a parent, adult family member [RELATIVE], or guardian of the child or to another suitable person, and, in appropriate cases, order the parent, adult family member [RELATIVE], guardian, or other person to provide medical or other care and treatment; if the court releases the child, it shall direct the department to supervise the care and treatment given to the child, but the court may dispense with the department's supervision if the court finds that the adult to whom the child is released will adequately care for the child without supervision; the department's supervision may not exceed two years or in any event extend past the date the child reaches [AGE] 19 years of age, except that the department or the child's guardian ad litem may petition for and the court may grant in a hearing

(A) one-year extensions of supervision that do not extend beyond the child's 19th birthday if the extensions are in the best interests of the child; and

(B) an additional one-year period of supervision past [AGE] 19 years of age if the continued supervision is in the best interests of the person and the person consents to it; or

(3) order, under the grounds specified in (o) of this section or AS 47.10.088, the termination of parental rights and responsibilities of one or both parents and commit the child to the custody of the department, and the department shall report quarterly to the court on efforts being made to find a permanent placement for the child.

* **Sec. 12.** AS 47.10.080(l) is amended to read:

(l) Within 12 months after the date a child enters foster care as calculated under AS 47.10.088(f), the court shall hold a permanency hearing. The hearing and permanent plan developed in the hearing are governed by the following provisions:

1 (1) the persons entitled to be heard under AS 47.10.070 or under (f) of
2 this section are also entitled to be heard at the hearing held under this subsection;

3 (2) when establishing the permanent plan for the child, the court shall
4 make appropriate written findings, including findings related to whether

5 (A) and when the child should be returned to the parent or
6 guardian;

7 (B) the child should be placed for adoption or legal
8 guardianship and whether a petition for termination of parental rights should be
9 filed by the department; and

10 (C) the child should be placed in another planned, permanent
11 living arrangement and what steps are necessary to achieve the new
12 arrangement;

13 (3) if the court is unable to make a finding required under (2) of this
14 subsection, the court shall hold another hearing within a reasonable period of time;

15 (4) in addition to the findings required by (2) of this subsection, the
16 court shall also make appropriate written findings related to

17 (A) whether the department has made the reasonable efforts
18 required under AS 47.10.086 to offer appropriate family support services to
19 remedy the parent's or guardian's conduct or conditions in the home that made
20 the child a child in need of aid under this chapter;

21 (B) whether the parent or guardian has made substantial
22 progress to remedy the parent's or guardian's conduct or conditions in the home
23 that made the child a child in need of aid under this chapter; [AND]

24 (C) if the permanent plan is for the child to remain in out-of-
25 home-care, whether the child's out-of-home placement continues to be
26 appropriate and in the best interests of the child; **and**

27 **(D) whether the department has made reasonable efforts to**
28 **finalize the permanent plan for the child;**

29 (5) the court shall hold a hearing to review the permanent plan at least
30 annually until successful implementation of the plan; if the plan approved by the court
31 changes after the hearing, the department shall promptly apply to the court for another

1 permanency hearing, and the court shall conduct the hearing within 30 days after
2 application by the department.

3 * **Sec. 13.** AS 47.10.080(p) is amended to read:

4 (p) If a child is removed from the parental home, the department shall provide
5 reasonable visitation between the child and the child's parents, guardian, and family.
6 When determining what constitutes reasonable visitation with a family member, the
7 department shall consider the nature and quality of the relationship that existed
8 between the child and the family member before the child was committed to the
9 custody of the department. The court may require the department to file a visitation
10 plan with the court. The department may deny visitation to the parents, guardian, or
11 family members if there is clear and convincing evidence that visits are not in the
12 child's best interests. **If the department denies visitation to a parent or family**
13 **member of a child, the department shall inform the parent or family member of a**
14 **reason for the denial and of the parent's or adult family member's right to**
15 **request a review hearing as an interested person.** A parent, **adult family member,**
16 or guardian who is denied visitation may request a review hearing. **A non-party**
17 **adult family member requesting a review hearing under this subsection is not**
18 **eligible for publicly appointed legal counsel.**

19 * **Sec. 14.** AS 47.10.080 is amended by adding new subsections to read:

20 (t) The court may not terminate parental rights solely on the basis that the
21 parent did not complete treatment required of the parent by the department for
22 reunification with the child if the treatment required was unavailable to the parent and
23 the department did not provide the treatment.

24 (u) For a child who is placed in foster care, when the department finds that it
25 is in the best interest of a child and that the foster family will not be placed in undue
26 risk of harm, the department shall require foster parents to provide regular
27 opportunities for visitation with the child by the parents of the child and encourage
28 foster parents to serve as mentors for facilitating family reunification.

29 (v) A hearing conducted under this section is open to the public unless an
30 exception provided in AS 47.10.070(c) applies to make the hearing closed to the
31 public or unless prohibited by federal or state statute or regulation.

1 * **Sec. 15.** AS 47.10.084(c) is amended to read:

2 (c) When there has been transfer of legal custody or appointment of a guardian
3 and parental rights have not been terminated by court decree, the parents shall have
4 residual rights and responsibilities. These residual rights and responsibilities of the
5 parent include, but are not limited to, the right and responsibility of reasonable
6 visitation, consent to adoption, consent to marriage, consent to military enlistment,
7 consent to major medical treatment except in cases of emergency or cases falling
8 under AS 25.20.025, and the responsibility for support, except if by court order any
9 residual right and responsibility has been delegated to a guardian under (b) of this
10 section. **In this subsection, "major medical treatment" includes the**
11 **administration of medication used to treat a mental health disorder.**

12 * **Sec. 16.** AS 47.10.088(i) is amended to read:

13 (i) The department shall concurrently identify, recruit, process, and approve a
14 qualified person or family for an adoption whenever a petition to terminate a parent's
15 rights to a child is filed. **Before identifying a placement of the child in an adoptive**
16 **home, the department shall attempt to locate all living adult family members of**
17 **the child and, if an adult family member expresses an interest in adopting the**
18 **child, investigate the adult family member's ability to care for the child. The**
19 **department shall provide to all adult family members of the child located by the**
20 **department written notice of the adult family members' rights under this chapter**
21 **and of the procedures necessary to gain custody of the child, but the**
22 **department's obligation to provide written notice under this subsection does not**
23 **apply to a parent of the child whose parental rights are being or have been**
24 **terminated or to an adult family member who is known by the department to be**
25 **ineligible for a foster care license under AS 47.35.019 or 47.35.021. If an adult**
26 **family member of the child requests that the department approve the adult**
27 **family member for an adoption, the department shall approve the request unless**
28 **there is good cause not to approve the adoption.** If the court issues an order to
29 terminate under (j) of this section, the department shall report within 30 days on the
30 efforts being made to recruit a permanent placement for the child if a permanent
31 placement was not approved at the time of the trial under (j) of this section. The

1 report must document recruitment efforts made for the child.

2 * **Sec. 17.** AS 47.10 is amended by adding a new section to read:

3 **Sec. 47.10.089. Voluntary relinquishment of parental rights and**
 4 **responsibilities.** (a) When a child is committed to the custody of the department
 5 under AS 47.10.080(c)(1) or (3) or released under AS 47.10.080(c)(2), the rights of a
 6 parent with respect to the child, including parental rights to control the child, to
 7 withhold consent to an adoption, or to receive notice of a hearing on a petition for
 8 adoption, may be voluntarily relinquished to the department and the relationship of
 9 parent and child terminated in a proceeding as provided under this section.

10 (b) A voluntary relinquishment must be in writing and signed by a parent,
 11 regardless of the age of the parent, in the presence of a representative of the
 12 department or in the presence of a court of competent jurisdiction with the knowledge
 13 and approval of the department. A copy of the signed relinquishment shall be given to
 14 the parent.

15 (c) A voluntary relinquishment may be withdrawn within 10 days after it is
 16 signed. The relinquishment is invalid unless the relinquishment contains the right of
 17 withdrawal as specified under this subsection.

18 (d) A parent may retain privileges with respect to the child, including the
 19 ability to have future contact, communication, and visitation with the child in a
 20 voluntary relinquishment executed under this section. A retained privilege must be in
 21 writing and stated with specificity.

22 (e) Not less than 10 days after a voluntary relinquishment is signed, the court
 23 shall enter an order terminating parental rights if the court determines that termination
 24 of parental rights under the terms of the relinquishment is in the child's best interest.
 25 If a parent has retained one or more privileges under (d) of this section, the court shall
 26 incorporate the retained privileges in the termination order with a recommendation
 27 that the retained privileges be incorporated in an adoption or legal guardianship
 28 decree.

29 (f) A voluntary relinquishment may not be withdrawn and a termination order
 30 may not be vacated on the ground that a retained privilege has been withheld from the
 31 relinquishing parent or that the relinquishing parent has been unable, for any reason, to

1 act on a retained privilege, except as provided in Rule 60(b), Alaska Rules of Civil
2 Procedure.

3 (g) After a termination order is entered, a person who has voluntarily
4 relinquished parental rights under this section may request a review hearing, upon a
5 showing of good cause, to seek enforcement or modification of or to vacate a privilege
6 retained in the termination order. The court may modify, enforce, or vacate the
7 retained privilege if the court finds, by clear and convincing evidence, that it is in the
8 best interest of the child to do so.

9 (h) After a termination order is entered and before the entry of an adoption or
10 legal guardianship decree, a person who voluntarily relinquished parental rights to a
11 child under this section may request a review hearing, upon a showing of good cause,
12 to vacate the termination order and reinstate parental rights relating to that child. A
13 court shall vacate a termination order if the person shows, by clear and convincing
14 evidence, that reinstatement of parental rights is in the best interest of the child and
15 that the person is rehabilitated and capable of providing the care and guidance that will
16 serve the moral, emotional, mental, and physical welfare of the child.

17 (i) A person who relinquished parental rights is entitled to the appointment of
18 an attorney if a hearing is requested under (g), (h), or (j) of this section to the same
19 extent as if the parent's rights had not been terminated in a child-in-need-of-aid
20 proceeding.

21 (j) After a termination order is entered and before the entry of an adoption or
22 legal guardianship decree, a prospective adoptive parent or a guardian of a child who
23 is the subject of the adoption or guardianship decree may request, after providing
24 notice as specified under this subsection, that the court decline to incorporate a
25 privilege retained in a termination order and recommended for incorporation in an
26 adoption or guardianship decree under (e) of this section. The request made under this
27 subsection may only be considered by the court after providing at least 20 days' notice
28 by certified mail to the last known address of the person who has voluntarily
29 relinquished parental rights to the child. The notice under this subsection must
30 describe the request and explain that the recipient of the notice may submit a written
31 statement under penalty of perjury to the court that the recipient either agrees with or

opposes the request. The notice must also include the deadline for submitting the statement and the mailing address of the court. The court may decline to incorporate a retained privilege if the person who retained the privilege agrees with the request or if the court finds that it is in the child's best interest.

* **Sec. 18.** AS 47.10.090(c) is amended to read:

(c) Within 30 days **after** [OF] the date of a **child's** [MINOR'S] 18th birthday or, if the court retains jurisdiction of a **child** [MINOR] past the **child's** [MINOR'S] 18th birthday, within 30 days **after** [OF] the date on which the court releases jurisdiction over the **child** [MINOR], the court shall order all the court's official records pertaining to that **child** [MINOR] in a proceeding under this chapter sealed. A person may not use these sealed records **unless authorized by order of** [FOR ANY PURPOSE EXCEPT THAT] the court **upon a finding of** [MAY ORDER THEIR USE FOR] good cause [SHOWN].

* **Sec. 19.** AS 47.10.090(d) is amended to read:

(d) The name or picture of a **child** [MINOR] under the jurisdiction of the court may not be made public in connection with the **child's** [MINOR'S] status as a child in need of aid unless authorized by order of the court **or unless to implement the permanency plan for a child after all parental rights of custody have been terminated. This subsection does not prohibit the release of aggregate information for statistical or other informational purposes if the identity of any particular person is not revealed by the release.**

* **Sec. 20.** AS 47.10.092(a) is amended to read:

13 welfare; (2) an interview at school is a necessary part of an investigation to determine
14 whether the child has been abused or neglected; and (3) the interview at school is in
15 the best interests of the child, school officials shall permit the child to be interviewed
16 at school by the department or a law enforcement agency before notification of, or
17 receiving permission from, the child's parent, guardian, or custodian. A school official

23 parent, guardian, or custodian, the department or agency shall make every reasonable
24 effort to notify the child's parent, guardian, or custodian that the interview occurred

3 audiotaped or videotaped. If an interview of a child concerns a report of sexual abuse
4 of the child by a parent or caretaker of the child, the interview shall be videotaped,
5 unless videotaping the interview is not feasible or will, in the opinion of the
6 investigating agency, result in trauma to the child.

7 (e) An interview of a child that is audiotaped or videotaped under (d) of this
8 section shall be conducted

9 (1) by a person trained and competent to conduct the interview;

10 (2) if available, at a child advocacy center; and

17 necessary, the additional interviews shall be conducted, to the extent possible, by the
18 same interviewer who conducted the initial interview of the child.

19 (g) A recorded interview of a child shall be preserved in the manner and for a

13 presence of **these persons in a hearing that has been closed to the public under**
14 **(f)(2) of this rule** [THE FOSTER PARENT OR CARE PROVIDER] to the time
15 during which the person's testimony is being given if **the court determines that such**
16 **a limitation is necessary under the circumstances listed in (f)(2)(C) of this rule** [IT
17 IS (1) IN THE BEST INTEREST OF THE CHILD; OR (2) NECESSARY TO
18 PROTECT THE PRIVACY INTERESTS OF THE PARTIES AND WILL NOT BE
19 DETRIMENTAL TO THE CHILD].

20 * **Sec. 52.** The uncoded law of the State of Alaska is amended by adding a new section to
21 read:

22 DIRECT COURT RULE AMENDMENT. Rule 3(f), Alaska Child in Need of

24 (f) **General Public Access to Hearings.**

25 (1) Except as provided in (2) of this paragraph, and unless prohibited
26 by federal or state statute or regulation, court order, or other court rule, hearings are
27 open to the public.

28 (2) The following hearings are closed to the public:

29 (A) the initial court hearing after the filing of a petition that
30 begins the child-in-need-of-aid case;

31 (B) a hearing following the initial hearing in which a parent,

1 child, or other party to the case is present but has not had an opportunity to
2 obtain legal representation;

3 (C) a hearing, or a part of a hearing, for which the court issues
4 a written order finding that allowing the hearing, or part of the hearing, to be
5 open to the public would reasonably be expected to stigmatize or be
6 emotionally damaging to a child; inhibit a child's testimony in the hearing;
7 disclose matters otherwise required to be kept confidential by state or federal
8 statute or regulation, court order, or court rule; or interfere with a criminal
9 investigation or proceeding or a criminal defendant's right to a fair trial in a
10 criminal proceeding.

11 (3) Before ruling on a request under (2)(C) of this paragraph
12 concerning potential interference with a criminal investigation or proceeding, the court
13 shall give notice and an opportunity to be heard to the state or a municipal agency that
14 is assigned to the criminal investigation or to the prosecuting attorney.

15 (4) If the court closes a hearing to the public under (2)(C) of this
16 paragraph, the court shall close only the portions of the hearing necessary to prevent
17 the potential harm listed in (2)(C) of this paragraph. If a hearing, or part of a hearing,
18 is open to the public, the court shall hear in camera any information offered regarding
19 the location, or readily leading to the location, of a parent, child, or other party to the
20 case who is a victim of domestic violence or whose safety or welfare may be
21 endangered by the public release of information. Access to testimony heard in camera
22 under this subparagraph is limited to the court and authorized court personnel.

23 (5) Notwithstanding any other provision of this rule, the court shall
24 issue an order to prohibit all persons in a hearing open to the public from disclosing to
25 any person a name, picture, or other information that would readily lead to the
26 identification of a child who is the subject of the proceeding. If a person violates the
27 order, the court may impose any appropriate sanction, including contempt and closure
28 of any further hearings in the proceeding to the person.

29 (6) A party to the proceeding may move the court to close to the public
30 a hearing, or part of the hearing, to avoid the harm specified in (2)(C) of this
31 paragraph. A member of the public may request in writing to be served with a motion

1 filed under this subparagraph. If such a request has been filed in advance of the filing
 2 of the motion, the party filing the motion must also serve the member of the public
 3 who requested notice under this subparagraph. The court may waive the service
 4 required under this subparagraph to a member of the public if a motion to close the
 5 hearing, or part of the hearing, is made under this subparagraph immediately before or
 6 during the hearing and the court finds that

7 (A) the need for closure was not reasonably foreseeable
 8 sufficiently in advance of the hearing to allow for notice;

9 (B) there is good cause not to delay the hearing in order to
 10 achieve notice, taking into consideration the age of the child and the potential
 11 adverse effect that a delay could have on the child; and

12 (C) whatever notice is practicable under the circumstances has
 13 occurred.
